3. SECTION 192 OF THE INCOME-TAX ACT, 1961: BROAD SCHEME OF TAX DEDUCTION AT SOURCE FROM "SALARIES":

3.1 Method of Tax Calculation:

Every person who is responsible for paying any income chargeable under the head "Salaries" shall deduct income-tax on the estimated income of the assessee under the head "Salaries" for the financial year 2016-17. The income-tax is required to be calculated on the basis of the rates given above, subject to the provisions related to requirement to furnish PAN as per sec 206AA of the Act, and shall be deducted at the time of each payment. No tax, however, will be required to be deducted at source in any case unless the estimated salary income including the value of perquisites, for the financial year exceeds Rs. 2,50,000/- or Rs.3,00,000/- or Rs. 5,00,000/-, as the case may be, depending upon the age of the employee. (Some typical illustrations of computation of tax are given at Annexure-1).

3.2 Payment of Tax on Perquisites by Employer:

An option has been given to the employer to pay the tax on non-monetary perquisites given to an employee. The employer may, at its option, make payment of the tax on such perquisites himself without making any TDS from the salary of the employee. However, the employer will have to pay the tax at the time when such tax was otherwise deductible i.e. at the time of payment of income chargeable under the head "salaries" to the employee.

3.2.1 Computation of Average Income Tax:

For the purpose of making the payment of tax mentioned in para 3.2 above, tax is to be determined at the average of income tax computed on the basis of rate in force for the financial year, on the income chargeable under the head "salaries", including the value of perquisites for which tax has been paid by the employer himself.

3.2.2 Illustration:

The income chargeable under the head "salaries" of an employee below sixty years of age for the year inclusive of all perquisites is Rs.4,50,000/-, out of which, Rs.50,000/- is on account of non-monetary perquisites and the employer opts to pay the tax on such perquisites as per the provisions discussed in para 3.2 above.

STEPS:

Income Chargeable under the head "Salaries" inclusive of all perquisites	Rs. 4,50,000/-
Tax on Total Salary (including Cess)	Rs. 20,600/-
Average Rate of Tax $[(20,600/4,50,000) \times 100]$	4.57%
Tax payable on Rs.50,000/= (4.57% of 50,000)	Rs. 2285/-
Amount required to be deposited each month	Rs. 190 ((Rs. 190.40) =2285/12)

The tax so paid by the employer shall be deemed to be TDS made from the salary of the employee.

3.3 Salary From More Than One Employer:

Section 192(2) deals with situations where an individual is working under more than one employer or has changed from one employer to another. It provides for deduction of tax at source by such employer (as the tax payer may choose) from the aggregate salary of the employee, who is or has been in receipt of salary from more than one employer. The employee is now required to furnish to the present/chosen employer details of the income under the head "Salaries" due or received from the former/other employer and also tax deducted at source therefrom, **in writing and duly verified by him and by the former/other employer**. The present/chosen employer will be required to deduct tax at source on the aggregate amount of salary (including salary received from the former or other employer).

3.4 Relief When Salary Paid in Arrear or Advance:

3.4.1 Under section 192(2A) where the assessee, being a Government servant or an employee in a company, co-operative society, local authority, university, institution, association or body is entitled to the relief under **Section 89(1)** he may furnish to the person responsible for making the payment referred to in Para (3.1), such particulars in **Form No. 10E duly verified by him**, and thereupon the person responsible, as aforesaid, shall compute the relief on the basis of such particulars and take the same into account in making the deduction under Para(3.1) above.

Here "university" means a university established or incorporated by or under a Central, State or Provincial Act, and includes an institution declared under Section 3 of the University Grants Commission Act, 1956 to be a university for the purpose of that Act.

3.4.2 With effect from 1/04/2010 (AY 2010-11), no such relief shall be granted in respect of any amount received or receivable by an assessee on his voluntary retirement or termination of his service, in accordance with any scheme or schemes of voluntary retirement or in the case of a public sector company referred to in section 10(10C)(i) (read with Rule 2BA), a scheme of voluntary separation, if an exemption in respect of any amount received or receivable on such voluntary retirement or termination of his service or voluntary separation has been claimed by the assessee under section 10(10C) in respect of such, or any other, assessment year.

3.5 Information regarding Income under any other head:

(i) Section 192(2B) enables a taxpayer to furnish particulars of income under any head other than "Salaries" (not being a loss under any such head other than the loss under the head "Income from house property") received by the taxpayer for the same financial year and of any tax deducted at source thereon. The particulars may now be furnished in a **simple statement**, which is properly signed and verified by the taxpayer in the manner as prescribed under Rule 26B(2) of the Rules and shall be annexed to the simple statement. The form of verification is reproduced as under:

I, (name of the assessee), do declare that what is stated above is true to the best of my information and belief.

It is reiterated that the DDO can take into account **any loss only under the head "Income from house property"**. Loss under any other head cannot be considered by the DDO for calculating the amount of tax to be deducted.

3.6 Computation of income under the head "Income from house property":

While taking into account the loss from House Property, the DDO shall ensure that the employee files the declaration referred to above and encloses therewith a computation of such loss from house property. Following details shall be obtained and kept by the employer in respect of loss claimed under the head "Income from house property" separately for each house property:

- a) Gross annual rent/value
- b) Municipal Taxes paid, if any
- c) Deduction claimed for interest paid, if any
- d) Other deductions claimed
- e) Address of the property

The DDO shall also ensure furnishing of the evidence or particulars in Form No. 12BB in respect of deduction of interest as specified in Rule 26C read with section 192 (2D).

3.6.1 Conditions for Claim of Deduction of Interest on Borrowed Capital for Computation of Income From House Property [Section 24(b)]:

Section 24(b) of the Act allows deduction from income from houses property on interest on borrowed capital as under:-

- (i) the deduction is allowed only in case of house property which is owned and is in the occupation of the employee for his own residence. However, if it is actually not occupied by the employee in view of his place of the employment being at other place, his residence in that other place should not be in a building belonging to him.
- (ii) the quantum of deduction allowed as per table below:

Sl No	Purpose of borrowing capital	Date of borrowing capital	Maximum Deduction allowable

3	Acquisition or construction of the house	On or after 01.04.1999	Rs. 1,50,000/- (upto AY 2014-15) Rs. 2,00,000/- (w. e. f. AY 2015-16)

In case of Serial No. 3 above

- (a) The acquisition or construction of the house should be completed within 8 years from the end of the FY in which the capital was borrowed. Hence, it is necessary for the DDO to have the completion certificate of the house property against which deduction is claimed either from the builder or through self-declaration from the employee.
- (b) Further any prior period interest for the FYs upto the FY in which the property was acquired or constructed (as reduced by any part of interest allowed as deduction under any other section of the Act) shall be deducted in equal installments for the FY in question and subsequent four FYs.
- (c) The employee has to furnish before the DDO a certificate from the person to whom any interest is payable on the borrowed capital specifying the amount of interest payable. In case a new loan is taken to repay the earlier loan, then the certificate should also show the details of Principal and Interest of the loan so repaid.

3.7 Adjustment for Excess or Shortfall of Deduction:

The provisions of Section 192(3) allow the deductor to make adjustments for any excess or shortfall in the deduction of tax already made during the financial year, in subsequent deductions for that employee within that financial year itself.

3.8 Salary Paid in Foreign Currency:

For the purposes of deduction of tax on salary payable in foreign currency, the value in rupees of such salary shall be calculated at the "Telegraphic transfer buying rate" of such currency as on the date on which tax is required to be deducted at source (see Rule 26).

4. PERSONS RESPONSIBLE FOR DEDUCTING TAX AND THEIR DUTIES:

4.1. As per section 204(i) of the Act, in the context of payments other than payments by the Central Government of the State Government the "persons responsible for paying" for the purpose of Section 192 means the employer himself or if the employer is a Company, the Company itself including the Principal Officer thereof. Further, as per Section 204(iv), in case the credit, or as the case may be, the payment is made by or on behalf of Central Government or State Government, the DDO or any other person by whatever name called, responsible for crediting, or as the case may be, paying such sum is the "persons responsible for paying" for the purpose of Section 192.

(see Rule 28AA). The Unique Identification Number of the certificate is required to be reported in Quarterly Statement of TDS (Form 24Q).

4.4. Deposit of Tax Deducted:

- (a) internet banking facility of the Reserve Bank of India or of the State Bank of India or of any authorized bank; or
(b) debit card. {Notification No.41/2010 dated 31st May 2010}

4.5 Interest, Penalty & Prosecution for Failure to Deposit Tax Deducted:

4.5.1 If a person fails to deduct the whole or any part of the tax at source, or, after deducting, fails to pay the whole or any part of the tax to the credit of the Central Government within the prescribed time, he shall be liable to action in accordance with the provisions of section 201 and shall be deemed to be an assessee-in-default in respect of such tax and liable for penal action u/s 221 of the Act. Further Section 201(1A) provides that such person shall be liable to pay simple interest

- (i) at the rate of 1% for every month or part of the month on the amount of such tax from the date on which such tax was deductible to the date on which such tax is deducted; and
(ii) at the rate of one and one-half percent for every month or part of a month on the amount of such tax from the date on which such tax was deducted to the date on which such tax is actually paid.

Such interest, if chargeable, is mandatory in nature and has to be paid before furnishing of quarterly statement of TDS for respective quarter.

4.5.2 Section 271C inter alia lays down that if any person fails to deduct whole or any part of tax at source or fails to pay the whole or part of tax under the second proviso to section 194B, he shall be liable to pay, by way of penalty, a sum equal to the amount of tax not deducted or paid by him.

4.5.3 Further, section 276B lays down that if a person fails to pay to the credit of the Central Government within the prescribed time, as above, the tax deducted at source by him or tax payable by him under the second proviso to Section 194B, he shall be punishable with rigorous imprisonment for a term which shall be between 3 months and 7 years, along with fine.

4.6 Furnishing of Certificate for Tax Deducted (Section 203):

4.6.1 Section 203 requires the DDO to furnish to the employee a certificate in Form 16 detailing the amount of TDS and certain other particulars. Rule 31 prescribes that Form 16 should be furnished to the employee by 31st May after the end of the financial year in which the income was paid and tax deducted. Even the banks deducting tax at the time of payment of pension are required to issue such certificates. Revised Form 16 annexed to Notification No 11 dated 19-02-2013 is enclosed. The certificate in Form 16 shall specify

- (a) Valid permanent account number (PAN) of the deductee;
(b) Valid tax deduction and collection account number (TAN) of the deductor;
(c) (i) Book identification number or numbers (BIN) where deposit of tax deducted is without production of challan in case of an office of the Government;
(ii) Challan identification number or numbers (CIN*) in case of payment through bank.

(*Challan identification number (CIN) means the number comprising the Basic Statistical Returns (BSR) Code of the Bank branch where the tax has been deposited, the date on which the tax has been deposited and challan serial number given by the bank.)

- (d) Receipt numbers of all the relevant quarterly statements of TDS (24Q). The receipt number of the quarterly statement is of 8 digit.

Further as per Circular 04/2013 dated 17-04-2013 all deductors (including Government deductors who deposit TDS in the Central Government Account through book entry) shall issue the Part A of Form No. 16, by generating and subsequently downloading it through TRACES Portal and after duly authenticating and verifying it, in respect of all sums deducted on or after the 1st day of April, 2012 under the provisions of section 192 of Chapter XVII-B. Part A of Form No 16 shall have a unique TDS certificate

number. 'Part B (Annexure)' of Form No. 16 shall be prepared by the deductor manually and issued to the deductee after due authentication and verification along with the Part A of the Form No. 16.

It may be noted that under the new TDS procedure, TAN of deductee/ PAN of the deductee and receipt number of TDS statement filed by the deductor act as unique identifier for granting online credit of TDS to the deductee. Hence due care should be taken in filling these particulars. Due care should also be taken in indicating correct CIN/ BIN in TDS statement.

If the DDO fails to issue these certificates to the person concerned, as required by section 203, he will be liable to pay, by way of penalty, under section 272A(2)(g), a sum which shall be Rs.100/- for every day during which the failure continues.

It is, however, clarified that there is no obligation to issue the TDS certificate in case tax at source is not deductible/deducted by virtue of claims of exemptions and deductions.

[Note: TRACES is a web-based application of the Income - tax Department that provides an interface to all stakeholders associated with TDS administration. It enables viewing of challan status, downloading of NSDL Conso File, Justification Report and Form 16 / 16A as well as viewing of annual tax credit statements (Form 26AS). Each deductor is required to Register in the Traces portal. Form 16/16A issued to deductees should mandatorily be generated and downloaded from the TRACES portal].

Certain essential points regarding the filing of the Statement and obtaining TDS certificates are mentioned below:

(a) TDS certificate (Form16) would be generated for the deductee only if Valid PAN is correctly mentioned in the Annexure II of Form 24Q in Quarter 4 filed by the deductor. Moreover, employers are advised to ensure in Form 16 that the status of "matching" with respect to "Form 24G/OLTAS" is 'F'. If the status of matching other than 'F', kindly take necessary action promptly to rectify the same. It is pertinent to mention here that certain facilities have been provided to the deductors at website www.tdscpc.gov.in/ including online correction of statements (Form 24Q).

(b) The employer should quote the **gross amount of salary** (including any amount exempt under section 10 and the deductions under chapter VI A) in column 321 (Amount paid/credited) of Annexure I of Form 24Q as per NSDL RPU (hereafter Return Preparation Utility).

(c) The employer should quote the amount of salary excluding any amount exempt under section 10 in column 333 (Total amount of salary) of Annexure II of Form 24Q as per NSDL RPU.

(d) TDS on Income (including loss from House Property) under any Head other than the head 'Salaries' offered for TDS (shown in column 339) can be shown in column 350 (Reported amount of TDS by previous employer, as per NSDL RPU).

(e) Employer is advised to quote Total Taxable Income (Column 346) in Annexure II without rounding-off and TDS should be deducted and reported accordingly i.e. without rounding-off of TDS also.

Example:

Total Taxable Income	Total Taxable Income (Rounded Off)	TDS to be Deducted	TDS Deducted/ Reported after rounding-off of income	Short Deduction
Rs.1350094	Rs. 1350090	Rs. 235028.20	Rs 235027	Rs.1.20

4.6.2. If an assessee is employed by more than one employer during the year, each of the employers shall issue Part A of the certificate in Form No. 16 pertaining to the period for which such assessee was employed with each of the employers and *Part B may be issued by each of the employers or the last employer at the option of the assessee.*

4.6.3. **Authentication by Digital Signatures:**

(i) Where a certificate is to be furnished in Form No. 16, the deductor may, at his option, use **digital signatures** to authenticate such certificates.

(ii) In case of certificates issued under clause (i), the deductor shall ensure that

- the conditions prescribed in para 4.6.1 above are complied with;
- once the certificate is digitally signed, the contents of the certificates are not amenable to change; and
- the certificates have a control number and a log of such certificates is maintained by the deductor.

❖ The digital signature is being used to authenticate most of the e-transactions on the internet as transmission of information using digital signature is failsafe. It saves time specially in organisations having large number of employees where issuance of certificate of deduction of tax with manual signature is time consuming (Circular no 2 of 2007 dated 21.05.2007)

4.6.4. Furnishing of particulars pertaining to perquisites, etc (Section 192(2C)):

4.6.4.1 As per section 192(2C), the responsibility of providing correct and complete particulars of perquisites or profits in lieu of salary given to an employee is placed on the person responsible for paying such income i.e., the person responsible for deducting tax at source. The form and manner of such particulars are prescribed in Rule 26A, Form 12BA (Annexure II) and Form 16 of the Rules. Information relating to the nature and value of perquisites is to be provided by the employer in Form 12BA in case salary paid or payable is above Rs.1,50,000/-. In other cases, the information would have to be provided by the employer in Form 16 itself.

4.6.4.2 An employer, who has paid the tax on perquisites on behalf of the employee as per the provisions discussed in para 3.2 of this circular, shall furnish to the employee concerned, a certificate to the effect that tax has been paid to the Central Government and specify the amount so paid, the rate at which tax has been paid and certain other particulars in the amended Form 16.

4.6.4.3 The obligation cast on the employer under Section 192(2C) for furnishing a statement showing the value of perquisites provided to the employee is a crucial responsibility of the employer, which is expected to be discharged in accordance with law and rules of valuation framed there under. Any false information, fabricated documentation or suppression of requisite information will entail consequences thereof provided under the law. The certificates in Forms 16 and/or Form 12BA specified above, shall be furnished to the employee by 31st May of the financial year immediately following the financial year in which the income was paid and tax deducted. If he fails to issue these certificates to the person concerned, as required by section 192(2C), he will be liable to pay, by way of penalty, under section 272A(2)(I), a sum which shall be Rs.100/- for every day during which the failure continues.

As per Section 139C of the Act, the Assessing Officer can require the taxpayer to produce Form 12BA alongwith Form 16, as issued by the employer.

4.6.5 DDOs empowered to obtain evidence of proof or particulars of the prescribed claim (including claim for set-off of loss) under the section 192(2D):

DDOs have been authorized u/s 192 to allow certain deductions, exemptions or allowances or set-off of certain loss as per the provisions of the Act for the purpose of estimating the income of the assessee or computing the amount of tax deductible under the said section. The evidence /proof /particulars for some of the deductions/exemptions/allowances/set-off of loss claimed by the employee such as rent receipt for claiming deduction in HRA, evidence of interest payments for claiming loss from self-occupied house property, etc is not available to the DDO. To bring certainty and uniformity in this matter, section 192(2D) provides that person responsible for paying (DDOs) shall obtain from the assessee evidence or proof or particular of claims such as House rent Allowance (where aggregate annual rent exceeds one lakh rupees); Leave Travel Concession or Assistance; Deduction of interest under the head "Income from house property" and deduction under Chapter VI-A as per the prescribed form 12BB laid down by Rule 26C of the Rules. **Form 12BB is enclosed as Annexure IIa.**

4.7 Mandatory Quoting of PAN and TAN:

4.7.1 Section 203A of the Act makes it obligatory for all persons responsible for deducting tax at source to obtain and quote the Tax deduction and collection Account No (TAN) in the challans, TDS-certificates, statements and other documents. Detailed instructions in this regard are available in this Department's Circular No.497 [F.No.275/118/ 87-IT(B) dated 9.10.1987]. If a person fails to comply with the provisions of section 203A, he will be liable to pay, by way of penalty, under section 272BB, a sum of ten thousand rupees. Similarly, as per Section 139A(5B), it is obligatory for persons deducting tax at source to quote PAN of the persons from whose income tax has been deducted in the statement furnished u/s 192(2C), certificates furnished u/s 203 and all statements prepared and delivered as per the provisions of section 200(3) of the Act.

4.7.2 All tax deductors are required to file the TDS statements in Form No.24Q (for tax deducted from salaries). As the requirement of filing TDS certificates alongwith the return of income has been done away with, the lack of PAN of deductees is creating difficulties in giving credit for the tax deducted. Tax deductors are, therefore, advised to procure and quote correct PAN details of all deductees in the TDS statements for salaries in Form 24Q. Taxpayers are also liable to furnish their correct PAN to their deductors. Non-furnishing of PAN by the deductee (employee) to the deductor (employer) will result in deduction of TDS at higher rates u/s 206AA of the Act mentioned in para 4.8 below.

4.8 Compulsory Requirement to furnish PAN by employee (Section 206AA):

4.8.1 Section 206AA in the Act makes furnishing of PAN by the employee compulsory in case of receipt of any sum or income or amount, on which tax is deductible. If employee (deductee) fails to furnish his/her PAN to the deductor, the deductor has been made responsible to make TDS at higher of the following rates:

- i) at the rate specified in the relevant provision of this Act; or
- ii) at the rate or rates in force; or
- iii) at the rate of twenty per cent.

The deductor has to determine the tax amount in all the three conditions and apply the higher rate of TDS. However, where the income of the employee computed for TDS u/s 192 is below taxable limit, no tax will be deducted. But where the income of the employee computed for TDS u/s 192 is above taxable limit, the deductor will calculate the average rate of income-tax based on rates in force as provided in sec 192. If the tax so calculated is below 20%, deduction of tax will be made at the rate of 20% and in case the average rate exceeds 20%, tax is to be deducted at the average rate. Education cess @ 2% and Secondary and Higher Education Cess @ 1% is not to be deducted, in case the tax is deducted at 20% u/s 206AA of the Act.

4.9 Statement of deduction of tax under section 200(3) [Quarterly Statement of TDS]:

CO: DGBA: GA (NBS) No.60/GA.64 (11CVL)-/92) dated the 27th April 1992, and, these instructions should be followed by all the branches of the Banks, which have been entrusted with the task of payment of pensions.** Further all branches of the banks are bound u/s 203 to issue certificate of tax deducted in Form 16 to the pensioners also vide CBDT circular no. 761 dated 13.1.98.

4.11.2 In respect of non-residents, the salary paid for services rendered in India shall be regarded as income earned in India. It has been specifically provided in the Act that any salary payable for rest period or leave period which is both preceded or succeeded by service in India and forms part of the service contract of employment will also be regarded as income earned in India.

5. COMPUTATION OF INCOME UNDER THE HEAD "SALARIES"

5.1 INCOME CHARGEABLE UNDER THE HEAD "SALARIES":

(1) The following income shall be chargeable to income-tax under the head "Salaries":

- (a) any salary due from an employer or a former employer to an assessee in the previous year, whether paid or not;
- (b) any salary paid or allowed to him in the previous year by or on behalf of an employer or a former employer though not due or before it became due to him.

(2) For the removal of doubts, it is clarified that where any salary paid in advance is included in the total income of any person for any previous year it shall not be included again in the total income of the person when the salary becomes due.

Any salary, bonus, commission or remuneration, by whatever name called, due to, or received by, a partner of a firm from the firm shall not be regarded as "Salary".

It may be noted that, since salary includes pension, tax at source would have to be deducted from pension also, unless otherwise so required. However, no tax is required to be deducted from the commuted portion of pension to the extent exempt under section 10 (10A).

Family Pension is chargeable to tax under head "Income from other sources" and not under the head "Salaries". Therefore, provisions of section 192 of the Act are not applicable. Hence, DDOs are not required to deduct TDS on family pension paid to person.

"Accommodation" includes a house, flat, farm house or part thereof, hotel accommodation, motel, service apartment, guest house, a caravan, mobile home, ship or other floating structure.

A. For valuation of the perquisite of **rent free unfurnished accommodation**, all employees are divided into two categories:

- (i) For employees of the Central and State governments the value of perquisite shall be **equal to the licence fee charged for such accommodation as reduced by the rent actually paid by the employee**. **Employees of autonomous, semi-autonomous institutions, PSUs/PSEs & subsidiaries, Universities, etc. are not covered under this method of valuation.**

(ii) For all others, i.e., those salaried taxpayers not in employment of the Central government and the State government, the valuation of perquisite in respect of accommodation would be at prescribed rates, as discussed below:

a) Where the accommodation provided to the employee is **owned by the employer**:

SI No	Cities having population as per the 2001 census	Perquisite

b) Where the accommodation so provided is taken on lease/ rent by the employer:

The prescribed rate is 15% of the salary or the actual amount of lease rental payable by the employer, whichever is lower, as reduced by any amount of rent paid by the employee. Meaning of 'Salary' for the purpose of calculation of perquisite in respect of Residential Accommodation :

- c. Bonus ;
- d. Commission ;
- e. All other taxable allowances (excluding the portion not taxable); and

B Valuation of the perquisite of furnished accommodation- the value of perquisite as determined by the above method (in A) shall be increased by-

- i) 10% of the cost of furniture, appliances and equipments, or
- ii) where the furniture, appliances and equipments have been taken on hire, by the amount of actual hire charges payable

and the value so arrived at shall be reduced by any charges paid by the employee himself.

It is added that where the accommodation is provided by the Central Government or any State Government to an employee who is serving on deputation with any body or undertaking under the control of such Government,-

- (i). the employer of such an employee shall be deemed to be that body or undertaking where the employee is serving on deputation; and

1. The hotel accommodation is provided for a total period not exceeding in aggregate 15 days in a previous year, and
2. Such accommodation is provided on an employee's transfer from one place to another place.

It may be clarified that while services provided as an integral part of the accommodation, need not be valued separately as perquisite, any other services over and above that for which the employer makes payment or reimburses the employee shall be valued as a perquisite as per the residual clause. In other words, composite tariff for accommodation will be valued as per the Rules and any other charges for other facilities provided by the hotel will be separately valued under the residual clause.

D. However, the value of any accommodation provided to an employee working at a mining site or an on-shore oil exploration site or a project execution site or a dam site or a power generation site or an off-shore site will not be treated as a perquisite if:

Any amount paid by the employee for such facilities or services shall be reduced from the above amount.

IV Gas, electricity & water for household consumption [Rule 3(4)]: The value of perquisite in the nature of gas, electricity and water shall be the amount paid by the employer. The value of perquisite arising from such loans would be the excess of interest payable at prescribed interest rate over interest, if any, actually paid by the employee or any member of his household. The prescribed interest rate would now be *the rate charged per annum by the State Bank of India as on the 1st day of the relevant financial year in respect of loans of same type and for the same purpose advanced by it to the general public.* Perquisite value would be calculated on the basis of the *maximum outstanding monthly balance method.* For valuing perquisites under this rule, any other method of calculation and adjustment otherwise adopted by the employer shall not be relevant. However, small loans up to Rs. 20,000/- in the aggregate are exempt.

XII Use of assets [Rule 3(7)(vii)]: It is common practice for a movable asset (other than those referred in other sub rules of rule 3) owned by the employer to be used by the employee or any member of his household. This perquisite is to be charged at the rate of 10% of the original cost of the asset as reduced by any charges recovered from the employee for such use. However, the use of Computers and Laptops would not give rise to any perquisite.

XIII Transfer of assets [Rule 3(7)(viii)]: Often an employee or member of his household benefits from the transfer of movable asset (not being shares or securities) at no cost or at a cost less than its market value from the employer. The difference between the original cost of the movable asset (not being shares or securities) and the sum, if any, paid by the employee, shall be taken as the value of perquisite. In case of a movable asset, which has already been put to use, the original cost shall be reduced by a sum of 10% of such original cost for every completed year of use of the asset. Owing to a higher degree of obsolescence, in case of computers and electronic gadgets, however, the value of perquisite shall be worked out by reducing 50% of the actual cost by the reducing balance method for each completed year of use. Electronic gadgets in this case means data storage and handling devices like computer, digital diaries and printers. They do not include household appliance (i.e. white goods) like washing machines, microwave ovens, mixers, hot plates, ovens etc. Similarly, in case of cars, the value of perquisite shall be worked out by reducing 20% of its actual cost by the reducing balance method for each completed year of use.

5.3.9 Under section 10(13A) of the Act, any special allowance specifically granted to an assessee by his employer to meet expenditure incurred on payment of rent (by whatever name called) in respect of residential accommodation occupied by the assessee is exempt from Income-tax to the extent as may be prescribed, having regard to the area or place in which such accommodation is situated and other relevant considerations. According to Rule 2A of the Rules, the quantum of exemption allowable on account of grant of special allowance to meet expenditure on payment of rent shall be the least of the following:

- (a) the actual amount of such allowance received by the assessee in respect of the relevant period i. e. the period during which the accommodation was occupied by the assessee during the financial year; or
- (b) the actual expenditure incurred in payment of rent in excess of one-tenth of the salary due for the relevant period; or
 - (i) where such accommodation is situated in Bombay, Calcutta, Delhi or Madras, 50% of the salary due to the employee for the relevant period; or
 - (ii) where such accommodation is situated in any other places, 40% of the salary due to the employee for the relevant period.

For this purpose, "Salary" includes dearness allowance, if the terms of employment so provide, but excludes all other allowances and perquisites.

It has to be noted that only the expenditure actually incurred on payment of rent in respect of residential accommodation occupied by the assessee subject to the limits laid down in Rule 2A, qualifies for exemption from income-tax. Thus, house rent allowance granted to an employee who is residing in a house/flat owned by him is not exempt from income-tax. The disbursing authorities should satisfy themselves in this regard by insisting on production of evidence of actual payment of rent before excluding the House Rent Allowance or any portion thereof from the total income of the employee.

Though incurring actual expenditure on payment of rent is a pre-requisite for claiming deduction under section 10(13A), it has been decided as an administrative measure that salaried employees drawing house rent allowance upto Rs.3000/- per month will be exempted from production of rent receipt. It may, however, be noted that this concession is only for the purpose of

tax-deduction at source, and, in the regular assessment of the employee, the Assessing Officer will be free to make such enquiry as he deems fit for the purpose of satisfying himself that the employee has incurred actual expenditure on payment of rent.

Further if annual rent paid by the employee exceeds Rs 1,00,000 per annum, it is mandatory for the employee to report PAN of the landlord to the employer. In case the landlord does not have a PAN, a declaration to this effect from the landlord along with the name and address of the landlord should be filed by the employee.

5.3.10 Section 10(14) provides for exemption of the following allowances :-

- (i) Any special allowance or benefit granted to an employee to meet the **expenses wholly, necessarily and exclusively incurred in the performance of his duties** as prescribed under Rule 2BB subject to the extent to which such expenses are actually incurred for that purpose.
- (ii) Any allowance granted to an employee either to meet his personal expenses at the place of his posting or at the place he ordinarily resides or to **compensate him for the increased cost of living**, which may be prescribed and to the extent as may be prescribed.

However, the allowance referred to in (ii) above should not be in the nature of a personal allowance granted to the assessee to remunerate or compensate him for performing duties of a special nature relating to his office or employment unless such allowance is related to his place of posting or residence.

The CBDT has prescribed guidelines for the purpose of Section 10(14) (i) & 10 (14) (ii) vide notification No.SO 617(E) dated 7th July, 1995 (F.No.142/9/95-TPL) which has been amended vide notification SO No.403(E) dt 24.4.2000 (F.No.142/34/99-TPL). The transport allowance granted to an employee to meet his expenditure for the purpose of commuting between the place of his residence and the place of duty is exempt to the extent of Rs. 1600 p. m. or Rs 3200 p.m. (for a person who is blind or deaf and dumb or is orthopaedically handicapped with disabilities of lower extremities) vide notification S.O.No. 395(E) dated 13.05.98 r/w S.O. No. 1002 (E) dated 13.04.2015 & S.O. No. 2604 (E) dated 23.09.2015.

5.3.11 Under Section 10(15)(iv)(i) of the Act, interest payable by the Government on deposits made by an employee of the Central Government or a State Government or a public sector company out of his retirement benefits, in accordance with such scheme framed in this behalf by the Central Government and notified in the Official Gazette is exempt from income-tax. By notification No.F.2/14/89-NS-II dated 7.6.89, as amended by notification No.F.2/14/89-NS-II dated 12.10.89, the Central Government has notified a scheme called **Deposit Scheme for Retiring Government Employees, 1989** for the purpose of the said clause.

5.3.12 Any scholarship granted to meet the cost of education is not to be included in total income as per provisions of section 10(16) of the Act.

5.3.13 Section 10(18) provides for exemption of any income by way of pension received by an individual who has been in the service of the Central Government or State Government and has been awarded "Param Vir Chakra" or "Maha Vir Chakra" or "Vir Chakra" or such other gallantry award as may be specifically notified by the Central Government. Family pension received by any member of the family of such individual is also exempt [Notifications No.S.O.1948(E) dated 24.11.2000 and 81(E) dated 29.1.2001, which are enclosed as per Annexure VIII & IX]. "Family" for this purpose shall have the meaning assigned to it in Section 10(5) of the Act.

DDO may not deduct any tax in the case of recipients of such awards after satisfying himself about the veracity of the claim.

5.3.14 Under Section 17 of the Act, exemption from tax will also be available in respect of:-

- (a) the value of any **medical treatment** provided to an employee or any member of his family, in any hospital maintained by the employer;
- (b) any sum paid by the employer in respect of any expenditure actually incurred by the employee on his medical treatment or of any member of his family:

- (i) in any hospital maintained by the Government or any local authority or any other hospital approved by the Government for the purposes of medical treatment of its employees;
- ii) in respect of the prescribed diseases or ailments as provided in Rule 3A(2) of the Rules in any hospital approved by the Chief Commissioner having regard to the prescribed guidelines as provided in Rule 3(A)(1) of the Rules,

(c) premium paid by the employer in respect of medical insurance taken for his employees (under any scheme approved by the Central Government or Insurance Regulatory and Development Authority) or reimbursement of insurance premium to the employees who take medical insurance for themselves or for their family members (under any scheme approved by the Central Government or Insurance Regulatory and Development Authority);

(d) reimbursement, by the employer, of the amount spent by an employee in obtaining medical treatment for himself or any member of his family from any doctor, not exceeding in the aggregate Rs.15,000/- in an year;

(e) As regards medical treatment abroad, the actual expenditure on stay and treatment abroad of the employee or any member of his family, or, on stay abroad of one attendant who accompanies the patient, in connection with such treatment, will be excluded from perquisites to the extent permitted by the Reserve Bank of India. It may be noted that the expenditure incurred on travel abroad by the patient/attendant, shall be excluded from perquisites only if the employee's gross total income, as computed before including the said expenditure, does not exceed Rs.2 lakhs.

For the purpose of availing exemption on expenditure incurred on medical treatment, "hospital" includes a dispensary or clinic or nursing home, and "family" in relation to an individual means the spouse and children of the individual. Family also includes parents, brothers and sisters of the individual if they are wholly or mainly dependent on the individual.

It is pertinent to mention that benefits specifically exempt u/s 10(13A), 10(5), 10(14), 17 etc. of the Act would continue to be exempt. These include benefits like house rent allowance, leave travel concession, travel expense allowance on tour and transfer, daily allowance to meet tour expenses as prescribed, medical facilities subject to conditions.

5.3.15 In this connection it is to be noted that as per sec. 10 (14) read with rule 2B any allowance granted to meet the cost of travel on tour or on transfer includes any sum paid in connection with transfer, packing and transportation of personal effects or such transfer shall be exempt. Also any allowance, whether, granted for the period of journey in connection with transfer, to meet the ordinary daily charges incurred by an employee on account of absence from his normal place of duty shall be exempt.

No deduction on account of entertainment allowance is available to non-government employees.
