22.	How do we make appointment on compassionate grounds in small offices/cadres in which there are less than 20 direct recruitment vacancies in a 'recruitment year', the minimum vacancies required to make a Compassionate Appointment?	Group 'C' posts, in which there are less than 20 direct recruitment vacancies in a recruitment year, may be grouped together and out of the total number of vacancies 'in a year', 5% may be filled up on compassionate grounds subject to the condition that appointment on compassionate grounds in any such post should not exceed one. How are vacancies for appointment on compassionate grounds to be calculated in small Ministries / Departments where sufficient vacancies do not arise, year after year, for making Compassionate Appointment?	The small Ministries / Departments may apply a more liberalized method of calculation of vacancies under 5% quota for compassionate appointment. Such small Ministries / Departments may add up the total of DR vacancies in Group 'C' and erstwhile Group 'D' posts (excluding technical posts) arising in each year for 3 or more preceding years and calculate 5% of vacancies with reference to the grand total of vacancies of such years, for locating one vacancy for Compassionate Appointment.
